SECTION – 1
DETAILED TENDER CALL NOTICE

Office of the Block Development Officer,
Panchayat Samiti, Bhadrak.
DETAILED TENDER CALL NOTICE
BID IDENTIFICATION No. PSB-01/2019-20

1. Sealed percentage rate bids are invited in single cover system from "B" and above class contractors registered with the State Government and contractors of equivalent Grade / class registered with Central Government / MES / Railways for execution of civil works on production of definite proof from the appropriate authority in prescribed form to be eventually drawn in P.W.D. FORM P-1 for the work "Construction of District Panchayat Resource Centre (DPRC) Building at Dist. Head Quarter , Dist-Bhadrak" at an estimated cost of Rs. 1,07,33,000/- (Rupees One crore seven lakhs thirty three thousand) only.
2. The sale and receipt of the Bid document shall start and receive from Dt.28.06.2019 and will be closed on Dt.12.07.2019 at 5.00PM. Bids will be available on district website " www.bhadrak.nic.in ". Bids will be received in the office of Block Development Officer, Panchayat Samiti, Bhadrak for Bid Identification No.PSB-01/2019-20 through registered / speed post only up to 12.07.2019 1.00 P.M.. No other courier service shall be accepted. The authority will not be responsible for any postal delay. The tender paper received after stipulated date and time will not be accepted.
3. The tender will be opened by the Block Development Officer, Panchayat Samiti, Bhadrak in the office of the Panchayat Samiti, Bhadrak on Dt.12.07.2019 at 3.30 P.M. in the presence of the bidders or their authorised representatives who wish to attend.
4. The Bid document can be purchased from all the offices as mentioned under Para-2 against a non-refundable fee (as mentioned in table in Tender Notice) towards cost of bid documents in the form of Cash/Demand Draft issue from any Scheduled Bank in favour of Block Development Officer, Panchayat Samiti, Bhadrak payable at bhadrak.
5. Bidding documents requested by mail will be dispatched by registered/speed post on payment of an extra amount of Rs.500.00 (Rupees five hundred) only over the cost of documents. The Department will not be held responsible for the postal delay if any, in the delivery of the documents or non-receipt of the same.
6. If the tender documents sent through registered / speed post do not reach in the concerned office by the above date and time, the offer will not be considered on any account even if the tender documents were dispatched by the tenderer before the due date.
7. The bid must be accompanied with earnest money of amount @ 1% (One percent) of the estimated cost put to tender of Rs.107330/- rounded to nearest i.e. Rs.108000/-(Rupees One lakh eight thousand) only along with tender in the form of Fixed deposit receipt of Schedule Bank / Kissan Vikash Patra / Post Office Savings Bank Account / National Savings Certificate / Postal Office Time Deposit Account duly pledged in favour of the Block Development Officer, Panchayat Samiti, Bhadrak and payable at Bhadrak as per the terms and conditions laid down in OGFR and in no other form. Bidders desirous to hire machineries or equipments from out side the State are required to furnish 2% (Two percent) of the amount put to tender in form of above shape and as per the above terms and conditions. Tenders not accompanied with EMD as specified above shall be liable for rejection.
8. The tender is to be submitted in single cover containing EMD, signed DTCN with price bid, true copies of registration certificate, PAN card, valid VAT clearance certificate, certificates duly filled-in and documents required as per the relevant clauses of this DTCN and special conditions if any.
In order to ensure that the envelopes are properly sealed, the contractor can seal them with superglue and also add tamperproof tapes as additional precaution.
The tenderers are not required to write their name on the outer cover containing the bid documents. They are only required to write the name or serial number of the work and authority who had issued the tenders. The tender submitted through registered/ speed post only.
9. a) The tender should be accompanied with the true copies of the valid Registration certificate, valid GST clearance certificate and PAN card which are mandatory and the original certificates are to be produced within 3 (three) days of opening of the tender before Block Development Officer, Panchayat Samiti, Bhadrak for verification otherwise his/her bid shall be declared as non-responsive and thus liable for rejection.
b) Engineer Contractor desirous to avail exemption of E.M.D. is required to submit in the affidavit to the effect that he/she has not yet availed the facility for more than two works during the current financial year, failing which the tender will be rejected.
c) The ST/SC contractors willing to avail the facilities as fixed by Government will submit the affidavit for the same along with tender document. Other wise they will not be entitled to avail the facilities.
10. The work is to be completed in all respects within 11 (Eleven) calendar months including rainy season and holidays. Tenderers whose tender is accepted must submit a work programme at the time of execution of Agreement.
11. All tenders received will remain valid for a period of 90 (Ninety) days from the last date of receipt of tenders and validity of tenders can also be extended if agreed to by the tenderer and the Department.
12. (i) The Contractors are required to furnish evidence of ownership of principal machineries/equipments in Schedule-C

Contractor

 Block Development Officer,
 Panchayat Samiti, Bhadrak

as per Annexure-I.

- (ii) In case the contractor executing several works he is required to furnish a time schedule for movement of equipment/machinery from one site to work site of the tendered work in Annexure-IV of Schedule-C.
 - (iii) The contractor shall furnish ownership documents for those machineries which he is planning to deploy for the tendered work if these are not engaged or produce certificate from the Executive Engineer as per Annexure – III of Schedule-C under whom these are deployed at the time of tendering as to the period by which these machines are likely to be released from the present contract. Certificate from the Executive Engineer of Government of Odisha under whose jurisdiction the work is going on, shall not be more than 90 days old on the last date of receipt of tender
 - (iv) In case the contractor proposes to engage machineries and equipments as asked for in the tender document, owned or hired but deployed out side the State, he/she is required to furnish additional 1% EMD /Bid Security. The entire bid security including the additional performance security shall stand forfeited in case the contractor fails to mobilize the machineries within 30 days from the date of execution of Agreement.
 - (v) The contractor intending to hire/lease equipments/machineries are required to furnish proof of ownership from the company/person providing equipments/machineries on hire/lease along with contracts/ agreements/lease deed and duration of such contract. The contracts/agreements/lease deed should be on long term basis for a minimum period of **11(Eleven) months** including rainy season and holidays from the last date of receipt of Bid documents.
13. An applicant or any of its constituent partners of whose contract for any work has been rescinded or who has abandoned any work in the last five years, prior to the date of the bid, shall be debarred from qualification. The tenderer is to furnish an affidavit at the time of submission of tender paper about the authentication of tender documents including Bank guarantee. An affidavit to this effect is to be furnished in Schedule-F. Non furnishing of the information in Schedule - E and required affidavit in Schedule – F, the bid document will be summarily rejected.
 14. **No Relation certificate.**
The contractor shall furnish a certificate along with the tender to the effect that he is not related to any officer in the rank of an Assistant Engineer & above in the state Water Resources Department or Assistant/Under Secretary & above in the Water Resources Department. If the fact subsequently proved to be false, the contract is liable to be rescinded. The earnest money & the total security will be forfeited & he shall be liable to make good the loss or damages resulting for such cancellations. The proforma for no relationship certificate is contained in a separate sheet vide Schedule-A
 15. Deleted
 16. If an individual makes the application, the individual should sign above his full type written name and current address.
 17. If the application is made by proprietary firm, it shall be signed by the proprietor above his full type written name and the full name of his firm with its current address.
 18. If the application is made by a firm in partnership, it shall be signed by all the partners of the firm above their full type written names and current address, or alternatively by a partner holding power of attorney for the firm in which case a certified copy of the power of attorney shall accompany the application. A certified copy of the partnership deed and current address of all partners of the firm shall also accompany the application.
 19. If the application is made by a limited company or a corporation, it shall be signed by duly authorised person holding power of attorney for signing the application in which case a certified copy of the power of attorney shall accompany the application. Such limited company or corporation will be required to furnish satisfactory evidence of its existence along with the technical bid.
 20. The tender should be strictly in accordance with the provisions as mentioned in the tender schedule. Any change in the wordings will not be accepted.
 21. No tenderer will be permitted to furnish their tender in their own manuscript papers. All information should be submitted in English. The applicants name should appear on each page of the application along with his signature or the signature of his authorised representative at the bottom of each page.
 22. Submission of more than one tender by a bidder for a particular tender will liable for rejection of all such tender papers.
 23. *In the case of Percentage Rate Tenders, only Percentage quoted shall be considered. Percentage quoted by the Contractor shall be accurately filled in figures and words, so that there is no discrepancy. The percentage quoted in the tender without mentioning excess or less and not supported with the corresponding amount will be treated as excess. The Contractor will write percentage excess or less up to two decimal points only. If, he/she writes the percentage excess or less up to two or more decimal point, the first two decimal points shall only be considered without rounding off.*
Where the Contractor has omitted to quote the rates either in figures or in words, the Officer opening the tender should record the omission.
That if any discrepancy is found in percentage quoted in words and figures or the total rate quoted by the Contractor, the following procedure shall be followed:-
 - (i) *If any discrepancy is found in percentage quoted in words and figures, then the percentage quoted by the Contractor in words shall be taken as correct.*
 - (ii) *If any discrepancy is found in the percentage quoted in percentage excess/ less and total rate quoted by the Contractor, then percentage will be taken as correct.*
 - (iii) *The tender shall be written legibly and free from erasures, over writings or corrections of figures. Corrections,*

Contractor

 Block Development Officer,
 Panchayat Samiti, Bhadrak

over writings & interpolations where unavoidable should made by making out, initialing, dating and rewriting.

- 24. Bills for percentage rate tenders shall be prepared at the estimated rates for individual items only and the percentage excess or less shall be added or subtracted from the gross amount of the bill.
- 25. The tenderer shall carefully study the tentative drawings and specifications applicable to the contract and all the documents which will form a part of the agreement to be entered in to by the accepted tenderer and detailed specifications for Orissa and other relevant specifications and drawings which are for sale. Complaint at a future date that plans and specifications have not been seen by the tenderers can not be entertained.
- 26. The drawing furnished with the tender are tentative and subject to revision or modification as tendered during the execution as per actual necessity and detail test conducted. But the tendered rate quoted by the tenderer will hold good in case of such modification of drawings during the time of execution and shall in no way invalidate the contract and no extra monetary compensation will be entertained. The work shall however be executed as per final approved drawing to be issued by the Engineer-in-Charge as and when required.
- 27. Every tenderer is expected before quoting his rate to inspect the site of the proposed work. He should also inspect the quarries and approach roads to quarries and satisfy himself about the quality and availability of materials. In every case the materials must comply with the relevant specifications. Complaints at future date that the availability of materials at quarries have been misjudged can not be entertained.
- 28. The offer of tender shall be inclusive of cost of construction and maintenance of island, ferry service, fair-weather road, service road, Foot Bridge, pylon base, winch stand and derrick stand etc. as required for the work.
It must be definitely understood that the Government does not accept any responsibility for the correctness and completeness of the trial borings shown in the Cross Section.
- 29. **Additional performance Security:**
As per works Deptt Memorandum NO 5288/W dated 04.05.2016 (A) Amendment to Para-3.5.5(V) of Note-II of OPWD code, Vol-I by modification "Additional performance security shall be obtained from the bidder when the bid amount is less than the estimated cost put to tender. In such an event the bidders who have quoted less bid price /rates than the estimated cost put to tender shall have to furnish the exact amount of differential cost i.e. estimated cost put to tender minus the quoted amount as Additional performance security in shape of Post Office Savings Bank Account / National Savings Certificate / Post Office Time Deposit Account / Kisan Vikash Patra / Deposit Receipt of Scheduled Bank duly pledged in favour of the Block Development Officer, Panchayat Samiti, Bhadrak in a separate sealed envelope.
The bids of the technically qualified bidders will be opened for evaluation of the price bid. In case of the bidders quoting less bid price/rate than the estimated cost put to tender and have not furnished the exact amount of differential cost (i.e. estimated cost put to tender minus the quoted amount) as additional performance security in shape of Demand Draft / Term Deposit Receipt, their price bid will not be taken in to consideration for evaluation even if they have qualified in the technical bid evaluation.
- 30. In case of any discrepancy in printing or omissions of statutory specifications or any other part or portion of the approved document during download of the bid document, the decision of the officer inviting the bid will be binding on the bidder.
- 31. The tender containing extraneous conditions not covered by the tender notice are liable for rejection and quotations should be strictly in accordance with the tender call notice. Any change in the wording will not be accepted.
- 32. Deleted
- 33. Schedule of quantities are accompanied in DTCN. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of this schedule and that this schedule is liable for alternation or omissions, deductions or alternations set forth in the conditions of the contract and such omissions, deductions, additions or alternations shall no way invalidate the contract and no extra monetary compensation, will be entertained.
The quantity mentioned can be increased or reduced to the extent of 10% for individual items subject to a maximum of 5% over the estimated cost. If it exceeds the limit stated above prior approval of competent authority is mandatory before making any payment.
- 34. The authority reserves the right to reject any or all the tenders received without assigning any reasons there-of what-so-ever.
- 35. The earnest money will be retained and dealt with as per the terms and conditions of the O. P. W. D. code.
- 36. The bidder / tenderer whose bid has been accepted will be notified of the award by the Engineer-in-charge prior to expiration of the validity period by cable, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the conditions of Contract called the "Letter of Acceptance") will state the sum that the Engineer-in-charge will pay the contractor in consideration of the execution, completion and maintenance of the Works by the contractor as prescribed by the contract (Hereinafter and in the contract called the "Contract Price").
The notification of award will constitute the formation of the contract, subject only to the furnishing of a performance security (Initial Security Deposit) in form of Fixed deposit receipt of Schedule Bank/Kissan Vikash Patra/Post Office Savings Bank Account/National Savings Certificate/Postal Office Time Deposit Account duly pledged in favour of the Block Development Officer, Panchayat Samiti, Bhadrak and in no other form which including the amount already deposited as bid security (earnest money) shall be 2% of the value of the tendered amount (excluding 1% deposited towards hiring of equipments/machineries from out side the State if any) and sign the agreement in the P.W.D. form No.

Contractor

 Block Development Officer,
 Panchayat Samiti, Bhadrak

F-2 (now renamed as P-1) (Schedule XLV No. 61) for the fulfillment of the contract in the office of the Block Development Officer, Panchayat Samiti, Bhadrak as directed. The security deposit together with the earnest money and the amount withheld according to the provision of F-2 (now renamed as P-1) agreement shall be retained as security for the due fulfillment of this contract and additional performance security in accordance with the provisions of the agreement.

The agreement will incorporate all agreements between the officer inviting the bid/Engineer-in-Charge and the successful bidder. Within 15 days following the notification of award along with the Letter of Acceptance, the successful bidder will sign the agreement and deliver it to the Engineer-in-Charge. Following documents shall form part of the agreement.

- a) The notice inviting bid, all the documents including additional conditions, specifications and drawings, if any, forming the bid as issued at the time of invitation of bid and acceptance thereof together with any correspondence leading thereto & required amount of performance security including additional performance security.
- b) Standard P.W.D. Form F2 (now renamed as P-1) with latest amendments. Failure to enter in to the required agreement and to make the security deposit as above shall entail forfeiture of the Bid Security (**earnest money**). No **contract** (tender) shall be finally accepted until the required amount of initial security money is deposited. The security will be refunded after **Twelve months** of completion of the work and payment of the final bill and will not carry any interest. As concurred by Law Department & Finance Department in their U.O.R. No 848 dt.21.05.97 J.O.R.No.202 W.F.D. dt.06.03.98 respectively the E.M.D. will be forfeited in case, where tenderers back out from the offer before acceptance of tender by the competent authority.
37. That for the purpose of jurisdiction in the event of disputes if any of the contract would be deemed to have been entered in to within the State of Odisha and it is agreed that neither party to the contract will be competent to bring a suit in regard to the matter by this contract at any place outside the State of Orissa.
38. The contractor should be liable to fully indemnify the department for payment of compensation under workman Compensation Act. VIII of 1923 on any account of the workmen employed by the contractor and full amount of compensation paid will be recovered from the contractor.
39. Tenderers are required to abide by the fair wages clause as introduced by Govt. of Orissa, Works Department Letter No.-VIII-R 8/5225 Dt. 26.02.55 and No.IIM- 56/628842(5) Dt.27.09.61 as amended from time to time.
40. In case of any complaint by the labour working about the non payment or less payment of his wages as per latest minimum Wages Act, the Block Development Officer will have the right to investigate and if the contractor is found to be in default, he may recover such amount due from the contractor and pay such amount to the labour directly under intimation to the local labour office of the Govt. The contractor shall not employ child labour. The decision of the Executive Engineer is final and binding on the contractor.
41. The contractor shall bear cost of various incidentals, sundries and contingencies necessitated by work in full within the following or similar category.
 - a. Rent, royalties and other charges of materials, octroi duty, all other taxes including sales tax, ferry, tolls conveyance charge and other cost on account of land and building including temporary building and temporary electric connection to work site as well as construction of service road and diversion road and its maintenance till completion of work as required by the tenderer for Collection of materials, storage, housing of staff or other purpose of the work. No tenderer will however be liable to pay Govt. for temporary occupation of land owned by Govt. at the site of the work.
 - b. Labour camps or huts necessary to a suitable scale including conservancy and sanitary arrangements therein to the satisfaction of the local health authorities.
 - c. Suitable water supply including pipe water supply wherever available for the staff and labour as well as for the work.
 - d. Fees and duties levied by the municipal, canal or water supply authorities.
 - e. Suitable equipments and wearing apparatus for the labour engaged in risky operations.
 - f. Suitable fencing barriers, signals including paraffin and electric signal where necessary at works and approaches in order to protect the public and employees from accidents.
 - g. Compensation including the cost of any suit for injury to persons or property due to neglect of any major precaution also becomes payable due to operation of the workmen compensation act.
 - h. The contractor has to arrange adequate lighting arrangement for the work where ever necessary at his own cost.
42. After the work is finalised, all surplus materials should be removed from the site of work. Preliminary work such as vats, mixing platforms etc. should be dismantled and all materials removed from the site and premises left neat and clean, this should be inclusive of the rate.
43. No payment will be made for bench marks, level pillars profiles and benching and leveling the ground where required. The **percentage rate** to be quoted should be inclusive of carriage of all materials and incidental item of works.
44. It should be understood clearly that no claim what-so-ever will be entertained to extra items of works quantity of any item besides estimate amount unless written order is obtained from the Engineer-in-charge and rate settled before the extra items of work or extra quantity of any items of work is taken up.
45. The tenderer shall have to abide by the C.P.W.D. safety code rules introduced by the Government of India, Ministry of work Housing and Supply in their standing order No-44150 dt.25.11.57.
46. Deleted.

Contractor

 Block Development Officer,
 Panchayat Samiti, Bhadrak

The Orissa Construction Corporation will be allowed a price preference to the extent of up to 3% over the lowest tender amount (Where their tender is not the lowest) provided they express willingness to execute the work after reduction of rates by negotiation.
- 90. Amendment of existing Clauses :- By admission of a tender for the work, a tenderer will be deemed to have satisfied himself by actual inspection of the site and locality of the work, about the quality and availability of the required quantity of material including the wheat/ rice referred to above, medical aid, labour and food stuff etc., and that rates quoted by him in the tender will be adequate to complete the work according to the specifications attached there to and that he had taken in to account all conditions and difficulties that may be encountered during its progress and to have quoted rates including labour and materials with taxes, octroi, other duties, lead, lifts, loading and unloading, freight for all materials and all other charges necessary for the completion of the work, to the entire satisfaction of the Engineer-in-Charge of the work and his authorised sub-ordinates. After acceptance of the contract rate Government will not pay any extra charges for any reason in case the contractor claims later on to have misjudged as regard availability of materials, labour and other factors.
- 91. The prevailing percentage of I. T. Department of the gross amount of the bill towards income tax will be deducted from the contractor's bill.
- 92. Prevailing rate of w.c. & Labour cess on the gross amount of the bill will be deducted from the contractor's bill. Empty cement gunny bags should be returned to the Department in good conditions failing which recovery will be made from contractor as per govt. rate per bag.
- 93. Deleted.
- 94. Under no circumstances interest is chargeable for the dues or additional dues if any payable for the work.
- 95. Under section 12 of contractors labour (Regulation and Abolition) Act. 1970 the contractor who undertakes execution of work through labour should produce valid license from licensing authorities of labour Department.
- 96. **Sample of all material** - The contractor shall supply sample of all materials fully before procurement for the work for testing and acceptance as may be requiring by the concerned Executive Engineer.
- 97. **Trial Boring** - The foundation level as indicated in the body of the departmental drawing is 'purely tentative and for the general guidance only. The Department has no responsibility for the suitability of actual strata at the foundation level. The contractor has to conduct his own boring before starting the work and get the samples tested at his own cost to ascertain the S.B.C. and credibility of the strata at founding level while quoting his rates for tender the contractor shall take in to account of the above aspects.
- 98. Any defects, shrinkage or other faults which may be noticed within 12 (twelve) months from the completion of the work arising out of defective or improper materials or workmanship timing are upon the direction of the Engineer-in-Charge to be amended and made good by the contractor at his own cost unless the Engineer for reasons to be recorded in writing shall be decided that they ought to be paid for and in case of default Department may recover from the contractor the cost of making good the works. The contractor is also required to maintain the road for 12 (twelve) months from the date of successful completion of the work.
- 99. From the commencement of the works to the completion of the same, they are to be under the contractors charge. The contractor is to be held responsible to make good all injuries, damages and repairs occasioned or rendered necessary to the same by fire or other causes and they hold the Govt. of Orissa harmless for any claims for injuries to person or

Contractor

 Block Development Officer,
 Panchayat Samiti, Bhadrak

- p- 11
- structural damage to property happening from any neglect, default, want of proper care or misconduct on the part of the contractor or any one in his employment during the execution of the work. Also no claim shall be entertained for loss due to earthquake, flood, cyclone, epidemic, riot or any other calamity whether natural or incidental damages so caused will have to be made good by the contractor at his own cost.
100. **Gradation of ingredients:** The coarse and fine aggregate shall meet the grade requirement as per the latest provision of relevant I.S.Code / I. R. C. code / MORT&H specifications.
 101. **Tilts and shifts** i) Maximum permissible shift is 150mm.
ii) Maximum permissible tilt is 1: 80.
 102. **DELETED.**
 103. For diversion road the contractor will have to make his own arrangement to make the same in private land if necessary for which agreement of such land by the side of C.D. works and the rental charges for such private land shall be borne by the contractor including the proper maintenance with lighting arrangements during the night time and signaling during day time and barricading etc. till the C.D. works are opened to the traffic. No extra cost will be paid to the contractor for the above rental charges etc. His rate in the tender shall include this arrangement, rental charges for the land and maintenance, lighting and removal of such temporary road crust from the private land to bring the land to its original condition etc. complete.
 104. The contractor has to arrange the land required for borrowing earth if necessary for the road work at his cost. No extra payment by the Department will be made on this account and no claim what so ever will be entertained on this ground. The rate quoted by the contractor should be inclusive of all such charges.
 105. Where it will be found necessary by the Department, the Officer-in-Charge of the work shall issue an order book to the contractor to be kept at the site of the work with pages serially numbered. Orders regarding the work whenever necessary are to be entered in this book by the Departmental Officer-in-Charge with their dated signatures and duly noted by the contractor or his authorised agents with their dated signature. Orders entered in this book and noted by the contractor's agent shall be considered to have been duly given to the contractor for following the instructions of the Department. The order Book shall be the property of the P.W.D. and shall not be removed from the site of work without written permission of the Engineer (Executive Engineer) and to be submitted to the Engineer-in-charge every month.
 106. Deleted.
 107. The details of foundation, sub-structure and floor protection for execution shall be done in accordance with the test results thus obtained.
 108. The contractor shall have no claim what so ever for the extra quantity of work to be executed in view of above possible changes and payments is to be made as per clause 11 of the F-2(now renamed as P-1) Contract.
 109. Over and above these conditions, the terms and conditions and rules and regulations and specifications as laid down in Orissa Detailed Standard Specification, Orissa P.W.D. Code, Bridge code and MORT&H specifications with latest revision / amendment are also binding on the part of the contractor.
 110. No part of the contract shall be sublet without written permission of the concerned Executive Engineer or transfer be made by power of Attorney authorizing others to receive payment on the contractor's behalf.
 111. The contractor should attach the certificate in token of payment deposit with the registration authority as per recent circular of the Government relating to his registration.
 112. Any damages caused by natural calamities should be done by the contractor at his own cost. The Department will not be any way responsible for the same and will not pay any cost towards the repair done by the contractor.
 113. Deleted.
 114. The concrete items wherever dewatering is imperatively necessary the term dewatering shall mean the execution or operation of the items due to standing water as well as due to percolation of water. The quoted rate will be inclusive of this.
 115. The materials, borrow areas and hutments at site should be arranged by the contractor at his own cost. No future complaint on this account shall be entertained.
 116. Deleted.
 117. Number of tests as specified in I.R.C./ MORT&H / I.S.I specification required for the construction of roads / bridges / buildings or any other structural works will be conducted in any Govt. Test House / Departmental laboratories/reputed material testing laboratory as to be decided by the Engineer-in-charge. Testing charges including expenditure for collection / transportation of samples /specimens etc. will be borne by the contractor. The collection of samples and testing are to be conducted for both prior to execution and during execution as may be directed by the Engineer-in-charge and on both the accounts the cost shall be borne by the contractor.
 118. Besides, the firm / contractor shall install full fledged field laboratory at work site for conducting required tests as per IRC / MoRT & H / ISI requirements at his own cost for providing sufficient opportunity for checking from time to time. Engineering personnel of the executing agency should be present at work site at the time of visit of high level inspecting officers.
 119. Deleted.
 120. The agency will be responsible for traffic management and maintenance of the stretch of the road (for which the tender has been invited) at his own cost during the period of execution.

Contractor

Block Development Officer,
Panchayat Samiti, Bhadrak

- 121. Even qualified criteria are met; the bidders can be disqualified for the following reasons, if enquired by the Department
 - (a) Making a false statement or declaration.
 - (b) Past record of poor performance.
 - (c) Past record of abandoning the work half way/ recession of contract.
 - (d) Past record of in-ordinate delay in completion of the work.
 - (e) Past history of litigation.

122. The information furnished must be sufficient to show that the applicant is capable in all respects to successfully complete the envisaged work.

123. In case the 1st lowest tenderer or even the next lowest tenderers withdraw in series one by one, thereby facilitating a particular tender for award, then they shall be penalized with adequate disincentives with forfeiture of EMD unless adequate justification for such back out is furnished. Appropriate action for black listing the tenderers shall also be taken apart from disincentivising the tenderer.

124. ADDENDUM TO THE CONDITION OF F2 (NOW RENAMED AS P-1) CONTRACT

Clause-2(a) of F2(now renamed as P-1) Contract:-TIME CONTROL:-

2.1. Progress of work and Re-scheduling programme.

- 2.1.1. The Executive Engineer / Engineer- in- Charge shall issue the letter of acceptance to the successful contractor. The issue of the letter of acceptance shall be treated as closure of the Bid process and commencement of the contract.
- 2.1.2. With in 15 days of issue of the letter of acceptance, the contractor shall submit to the Engineer-in-Charge for approval a programme commensurate to **Clause no. 2.1.3** showing the general methods, arrangements, and timing for all the activities in the Works along with monthly cash flow forecast. The Contractor is required to maintain a certain rate of progress specified in the Contract. The Contract will be terminated with penalty when the progress of work is not as per the conditions of contract.
- 2.1.3. To ensure good progress during the execution of the work the contractors shall be bound in all cases in which the time allowed for any work exceeds one month to complete, 1/4th of the whole time allowed under the contract has elapsed, 1/2 of the whole of the work before 1/2 of the whole time allowed under the contract has elapsed, 3/4th of the whole of the work before 3/4th of the whole time allowed under the contract has elapsed.
- 2.1.4. If at any time it should appear to the Engineer-in-Charge that the actual process of the work does not conform to the programme to which consent has been given the Contractor shall produce, at the request of the Engineer-in-Charge, a revised programme showing the modifications to such programme necessary to ensure completion of the works within the time for completion. If the contractor does not submit an updated Programme within this period, the Engineer-in-Charge may withhold the amount of 1% of the contract value from the next payment certificate and continue to withhold this amount until the next payment after the date on which the over due Programme has been submitted.
- 2.1.5. An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities.
- 2.1.6. The Engineer-in-Charge's approval of the Programme shall not alter the Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer-in-Charge again at any time. A revised Programme is to show the effect of Variations and Compensation Events.

2.2. Extension of the Completion Date.

2.2.1. The time allowed for execution of the works as specified in the Contract data shall be the essence of the Contract. The execution of the works shall commence from the 15th day or such time period as mentioned in letter of Award after the date on which the Engineer-in-Charge issues written orders to commence the work or from the date of handing over of the site whichever is later. If the Contractor commits default in commencing the execution of the work as aforesaid, Government shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money & performance guarantee / Security deposit absolutely.

2.2.2. Deleted

2.2.3. In case of delay occurred due to any of the reasons mentioned below, the Contractor shall immediately give notice thereof in writing to the Engineer-in-Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works.

- i) Force majeure, or
- ii) Abnormally bad weather, or
- iii) Serious loss or damage by fire, or
- iv) Civil commotion, local commotion of workmen, strike or lockout affecting any of the trades employed on the work, or.
- v) Delay on the part of other contractors or tradesmen engaged by Engineer-in-Charge in executing work not forming part of the Contract.
- vi) In case a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining work and which would cause the Contractor to incur additional cost, or
- vii) Any other cause, which, in the absolute discretion of the authority mentioned, in Contract data is beyond the Contractors

Contractor

 Block Development Officer,
 Panchayat Samiti, Bhadrak

control.

2.2.4. Request for reschedule and extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay. The Contractor may also, if practicable, indicate in such a request the period for which extension is desired.

2.2.5. In any such case a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the Contractor by the Engineer-in-Charge in writing, within 3 months of the date of receipt of such request. Non-application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the Engineer-in-Charge and this shall be binding on the contractor.

2.3. Compensation for Delay.

2.3.1. If the contractor fails to maintain the required progress in terms of clause 2 or to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the Government on account of such breach, pay as agreed compensation the amount calculated at the rates stipulated below as the Superintending Engineer (whose decision in writing shall be final and binding) may decide on the amount of tendered value of the work for every completed day / month (as applicable) that the progress remains below that specified in Clause 2 or that the work remains incomplete.

This will also apply to items or group of items for which a separate period of completion has been specified. Compensation @ 1.5% per month of for delay of work, delay to be completed on per Day basis. Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the Tendered Value of work. The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Government. In case, the contractor does not achieve a particular milestone mentioned in contract data, or the rescheduled milestone(s) in terms of Clause 2.5, the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied at the final grant of extension of time. Withholding of this amount on failure to achieve a milestone, shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone(s), the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(s), amount mentioned against each milestone missed subsequently also shall be withheld. However no interest whatsoever shall be payable on such withheld amount.

2.4. Deleted.

2.4.1. Either the Engineer or the Contractor may require the other to attend a management meeting. The business of a management meeting shall be to review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.

2.4.2. Deleted.

Clause-2 (b) of Agreement: - Rescission of

Contract (Amendment as per letter No.10639 dt 27.05.2005 of Works Department, Odisha):-

To rescind the contract (of which rescission notice in writing to the contractor under the hand of the Executive Engineer shall be conclusive evidence), 20% of the value of left over work will be realised from the contractor as penalty.

125. **ELIGIBILITY CRITERIA:** To be eligible for qualification, applicants shall furnish the followings.

- a. Required E.M.D as per the clause No. 7 and Additional performance security as per clause No.29.
- b. Copy of valid Registration Certificate, Valid GST clearance certificate, PAN card along with the tender documents and furnish the Original Registration certificate, and Pan card, for verification within 3 (three) days of opening of the tender before Block Development Officer, Bhadrak, Orissa, as per Clause No.9 a.
- c) Document as required for Engineering contractor & S.C./S.T. contractor in Clause No.9 b & 9 c .
- d) Information regarding
 - (i) Evidence of ownership of principal machineries / equipments in Schedule-C as per Annexure-I of Schedule-C
 - (ii) Annexure-III of Schedule-C
 - (iii) Annexure-IV of Schedule-C

(Above information is required if requirement of machineries are given in Annexure-I of Schedule-C)

Total: - 125 (One hundred twenty five) clauses only.

SECTION – 3
TECHNICAL SPECIFICATION

Contractor

Block Development Officer,
Panchayat Samiti, Bhadrak

1. GENERAL INFORMATION

1.1 Description of work to be executed

In order to overcome the drainage problem, the following works are proposed "Construction of District Panchyat Resource Centre (DPRC) Building, Dist-Bhadrak".

1.2 Location of Work site:

The work site is located in Bhadrak District Headquarter. The material can be brought from approved quarry i.e. Sand from Rudhia, Stone Product from and Moorum from Haridaspur and Steel/ Cement/ Wood from Bhadrak.

1.3 Transport Communication Facilities

The contractor has to make arrangement to transport all his construction equipments, construction Materials and labour to work site at his own cost.

1.4 Climate

The climate of the project area is tropical with usually three permanent season i.e. Summer, Rainy & Winter. The maximum temperature is about 40° Celsius and minimum 10.6° Celsius. The average rainfall of the area is about 1550mm as per Salandi Project Report.

1.5 Availability of Labour :

Both Semi- Skilled & unskilled labour required for the work are available in project area and it is preferable to engage local labour, However the Contractor must make his own arrangements for labour/machineries/ equipments.

1.6 Availability of petrol, Diesel and other lubricants:

The nearest petrol pumps for procurement of petrol, diesel and other lubricants are available in Bhadrak itself. The contractor shall make his own arrangement for procurement of same at his own cost required for the machineries and equipments engaged for the work.

1.7 Electricity Supply:

The Contractor shall make his own arrangement for extension of electric connection at his own cost if so required by him.

1.8 Housing Facilities:

Private house available in the vicinity of the work site. The Contractor shall make his own arrangement for housing the labourers, workers and staff at the work site.

1.9 Medical Aid :

The Contractor shall make first aid arrangement at his own cost in accordance with rule and regulations of prevailing Labour Act.

1.0 Post, Telegraph and Telephones at Bhadrak

2.1 Source of fund Drainage Improvement Perogramme.

Contractor

Block Development Officer,
Panchayat Samiti, Bhadrak

- 2.3.7 Protection of the components of work during the rainy season & irrigation supply shall be the responsibility of the contractor. The responsibility for the safety of the structure rests, entirely on the contractor and any damages that may occur, has to be made good by the contractor at his own cost.
- 2.4 The sequence of construction adopted by the contractor shall have to be approved by the Engineer-in-Charge.
- 2.5 Deleted.
- 2.6 **Quality Control:**
- 2.6.1 Before collecting materials required for execution of the respective items of work as laid down in the schedule of quantities and in the detailed specifications described hereafter in the subsequent sections, the contractor shall ensure that samples of materials proposed to be used are first approved by the Engineer-in-Charge. When directed the samples of materials proposed to be used should be furnished to the Govt. approved laboratory.
- 2.6.2 All such testing charges shall be borne by the contractor. The contractor will provide necessary assistance if required for collection of samples.
The contractor is liable to pay for any test which is not included in the agreement but required in the opinion of the Engineer-in-Charge during execution of the work for which no additional payment will be made to the contractor.
- 2.6.3 On the basis of satisfactory test results confirming to technical specification, collection of materials shall be started in the field. The testing of materials shall be checked in the field Laboratory by the Junior Engineer/ Assistant Engineer/ Asst. Executive Engineer/ Superintendent Engineer of the. If the field test result is found unsatisfactory, the materials shall be rejected and action taken to remove the same from work site by the contractor at his own cost. In no case the defective materials shall be used in the work.
- 2.6.4 On receipt of notice from the Engineer-in-charge and on observation , the contractor will rectify the defect in stipulated period at his own cost. If the defects are not rectified in the stipulated period, the Engineer-in-charge shall assess the cost, get the defect rectified and recover the same from the dues of the contractor.
- 2.7 A quarry chart indicating possible source of materials may be seen by engineer in charge . The contractor must however satisfy himself that materials as per required specifications and quantity are available in those quarries. No extra payment will be made due to non-availability of materials as per required specification and quantity in the quarries shown in the departmental quarry chart. The quarry

Contractor

 Block Development Officer,
 Panchayat Samiti, Bhadrak

chart is only an indication of source of material and the department does not accept the responsibility if the materials are not available in full quantity and quality.

- 2.8 No claim for cost and carriages of water whatsoever will be entertained.
- 2.9 Decision regarding usefulness of excavated materials rests fully on the Engineer-in-Charge. However he may take advice of Quality Control Organisation or higher authorities if required.

3.1 Deleted.

3.2 CLEARING AND GRUBBING

3.2.1 Deleted.

3.2.2 GRUBBING.

The area described or shown on the relevant site plan shall be cleared of all obstructions, loose stones and of all kinds of rubbish. All brushwood shall be cleared and the roots grubbed up. No trees shall be cut down and removed without the instructions of the Engineer-in-Charge.

The products of the clearing shall be stacked in such place and manner as may be ordered by the Engineer-in-charge and the ground shall be left in a perfectly clean condition. All products of the clearing shall be the property of Government and shall be disposed off as per the direction of Engineer-in-charge. All holes or hollows, whether originally existing or produced by digging up roots shall be carefully filled up with earth and leveled off, as directed.

3.2.3 DISPOSAL OF CLEARED AND GRUBBED MATERIAL

The disposal of cleared and grubbed material shall be in accordance with clause 4.1.1 of I.S. 4701-1982 code of practice for earthwork on canals. All waste materials to be burnt shall be piled neatly in suitable condition shall be burnt completely to ashes. Piling of waste materials for burning shall be done at such a location and in such a manner as would not cause any fire risk. Necessary precaution shall be taken to prevent spreading of fires to areas beyond the limits of cleared areas.

3.2.4 Deleted.

3.3 Deleted

3.4 DAMAGES BY MONSOON OR FLOOD / CYCLONE

Damages due to rain or flood have to be made good by the Contractor till the work is handed over to the department. The responsibility for making good to the damages rests with the Contractor. No extra cost is payable for such operations and the Contractor shall, therefore, have to take all necessary precautions to protect the work done during the construction period.

5.1 QUALITY

The coarse aggregate shall consist of naturally occurring (crushed or uncrushed) stones, and shall be hard, strong, durable, clear and reasonably free from veins and adherent coating and free from injurious amounts of disintegrated pieces, alkali, vegetable matter and other deleterious materials. Coarse aggregate will be rejected if it fails of meet any of the following requirements and the materials shall be taken away from the work site by the contractor at his own cost.

Contractor

Block Development Officer,
Panchayat Samiti, Bhadrak

5.2 SAND FOR R.R. STONE MASONRY, CONCRETE, PLASTERING & POINTING WORKS:

The sand shall be collected from approved quarry / any other quarry duly approved by the Engineer-in-charge. The sand shall consist of clean, dense, hard, durable uncoated rock fragments free from adherent coatings, organic matters and shall not contain more than permissible limit of clay balls or pellets as specified further below. The sand shall not contain any harmful impurities such as iron pyrites, alkalis, salts, coal mica shale or similar laminates or other materials in such form or in such quantities as to affect adversely the hardening, strength, durability or the appearance of the mortar used for masonry work. Sand as used at the time of preparation of mortar, shall have a uniform and stable moisture content. Determination of moisture content shall be made as frequently as possible, the frequency for a given job being determined by the Engineer according to weather conditions. Sand shall be well graded as per the table described further below and sand falling outside the specified limit due to excess or deficiency of coarse or fine particles, may be processed to comply with the standard by screening through suitably sized sieves and/or blending with required quantities of suitable sized sand particles. If the sand brought to site is not clean, it must be washed clean in water. Fine dirt sand, sea sand or sand containing saline impurities shall on no account be used. The cost of washing and screening shall be borne by the contractor.

5.3

Cement shall conform to clause 4 of IS 456-2000 for the purpose of specifications cement used shall be any of the following with the prior approval of the Engineer-in-charge.

- a. Ordinary or low heat Portland cement conforming to IS 269-1976.
- b. Rapid hardening Portland cement conforming to IS 8041-1978.
- c. Portland slag cement conforming to IS 455-1976.
- d. Portland puzzolana cement conforming to is 1489-1976.
- e. High strength ordinary Portland cement conforming to IS 8112-1976.
- f. Hydrophobic cement conforming to IS 8043-1978.

5.4 ACCEPTANCE OF CEMENT.

Portland cement shall be supplied by the contractor according to clause 10.1 of IS 269-1976 of the following brand.

- (i) OCL, Rajagangpur
- (ii) ACC, Bargarh
- (iii) Ultratech, Birla Cement

5.5 ADMIXTURES:

The contractor shall use Air entraining admixtures as directed by the Engineer. Admixtures shall be of uniform consistency and quality and shall be maintained at the job site at uniform strength of solution. Admixtures shall be batched separately in liquid form in containers capable of measuring at one time the full quantity of each admixture required for each batch. Chemical admixtures which harm the quality and strength of concrete shall not be used in the concrete.

5.6 WATER:

The water used in making and curing of concrete mortar and grout shall be free from objectionably quantities of silt, organic matter, injurious amounts of oils, acids, salts and other impurities etc. as per IS specification No.456-2000.

The Engineer-in-charge will determine whether or not such quantities of impurities are objectionable. Such determination will unusually be made by comparison of compressive strength water requirement, time of set and other properties of concrete made with distilled or very clean water and concrete made with the water proposed for use. Permissible limits for solids when tested in accordance with IS 3025-1964 shall be as tabulated below.

5.7 REINFORCEMENT BAR

5.7.1 The contractor shall make his own arrangement for procurement of steel of required specification of Steel Authority of India Limited for the work. Transportation from the place of supply to work site and all incidental charges will be borne by the contractor.

Contractor

Block Development Officer,
Panchayat Samiti, Bhadrak

Reinforcing bars shall be placed in the concrete as shown in the drawings or as directed. For concrete drain lining the reinforcement rods as provided for in the drawing shall be placed.

For anchoring the concrete drain lining to the hard rock provision of anchor rod is made in the drawing and contractor shall place these anchor rods to the spacing and depth shown in the drawings.

Testing charge of Reinforcement will be borne by the contractor.

Approved for above clauses
