- R = The value of work done in rupees during the quarter under consideration.
- Io = The average whole able prick index (all commodities) for the quarter in which the tender was opened published in R.B.I. bulletin from time to time.
- I = The average wholesale price index (all commodities) for the under consideration.
- Pm = Percentage of materials component as per sub-clause of this clause.
- (b) Similarly, the progress of work, the wage of labour increase or decrease in the average consumer's price index for industrial workers (wholesale price) and the contractor

5

thereupon necessarily and properly pays in respect of labour engaged on execution of the work such increased or decreased wages, then he shall be entitled to reimburse or liable to refund, quarterly as the case may be such amount as shall be between the average consumer's price India for industrial workers (Wholesales price) which is operating for the quarter under consideration and that operated for the quarter in which the tender was opened as per the formula indicated below.

Formula to calculate increase or decrease in the cost of labour.

$$VI = \frac{0.75 \times PI}{100} \times \frac{R \times (1 - io)}{100}$$

VI = increase in the cost of work during the quarter under consideration due to change in the rate of labour.

R = The value of the work done in rupees during the quarter

io = The consumer's price index for industrial chapters (whole able price) for the quarter in which tender was opened (as published in S.U.I. bulletin for time to time).

I = Minimum wages as prescribed for the period in respect of which increase or decrease is to be computed.

PI = Percentage of labour component (as per sub-clause of this clause)

(c) Similarly if during the progress of work the price of petrol oil and lubricant (Diesel oil being the reprehensive item for price adjustment) increase or decrease as a result of the price fixed therefore by the Government of India and the contractor thereupon necessarily and properly pays such increased or decreased price towards petrol, oil and lubricants used on execution of the work, then he shall be entitled to reimbursement or liable to refund, quarterly as the case may be such an amount, as shall be equivalent to the plus or minus difference in the price of P.O.L. which is operating for the quarter under consideration and the operated for the quarter in which the tender was opened as per time formula indicated below.

Formula to calculate the increase or decrease in the price of F.O.L.

$$KI = \frac{0.75 \times K^2}{100} \times R \times \frac{(D^2 - D^1)}{D^1}$$

K¹ = Increase or increase in the cost of work during the quarter under consideration due to changes in the price of .

R = The Value of in rupees during the quarter water consideration.

D¹ = average price per liter

K² = as per sub-loons of this

(d) Reimbursement/refund on variation in price of materials, labour, P.O.L. as per sub-clause (a), (b) & (c) of this clause shall be applicable only in respect of contract of one year or more provided that the work has been carried out within the stipulated time of extension thereof due to reasons not attributable to contractor. Reimbursement is admissible only for the period beyond one year from the date of commencement of the work. However, where the original contractual period is less than one year but subsequently it has been validly extended and the period becomes one year or more, escalation clause shall be applicable only for the balance portion of work to be executed beyond one year provided the delay is not attributable to the contractor.

(E) The contractor shall for the clause keep such books of account and other documents as are necessary to show amount of increase claimed or reduction available and shall allow inspection of the competent authority by a duly authorized representative of Government.

The contractor shall within a reasonable time of his becoming aware of an alteration in the price of such materials, give notice thereof to the Engineer in charge stating the same in writing pursuant to this condition together with an information relating thereto which he may be in a position to supply.

During the period the contractor forfeits his right to any escalation charges otherwise admissible to appropriate clause of the agreement executed by the contractor with the Government.
