Dated. 2 / 3 /2023

To

The National Informatics Officer,
NIC Office, Collectorate, Bhadrak.

Sub: Bulk Message to youth for wide publicity of Entrepreneurship Week:2023 , Bhadrak.

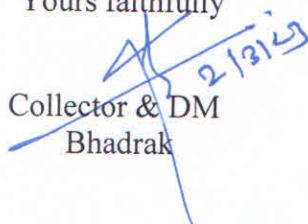

Sir,

As you know, Entrepreneurship Week: 2023, Bhadrak shall be organized from 5th to 9th March 2023 by the district administration. To make the event successful, wide publicity is to be done amongst the youths of the district. A message (Annexure) regarding the event is required to be sent through bulk messaging system via the authorized ID of district office. District Employment Officer, Bhadrak is advised to provide you approx. 2000 contact numbers of registered youths who are in search of better livelihood avenues through entrepreneurship opportunities.

Moreover, the same facility may be authorized to the District Employment Officer, as requested by him. The District Employment Exchange, Bhadrak already possesses the gov. mail ID (deex-bhadrak@gov.in). The nature of activities undertaken by that office on day to day basis is to share information regarding placement/training/admission/etc. among the youths of the district registered under his control. Earlier, the bulk messaging system under Quicksms (Parichay) was used for this purpose. However, this facility has been discontinued since last few months by NIC. It is felt necessary to authorize the District Employment Exchange, Bhadrak for the said purpose in larger public interest.

Concerned officer may be intimated of the authorization.

Yours faithfully

Collector & DM
Bhadrak
