The detailed schedule along with an outline for presentation will be intimated to the concerned bidders before 5 days from the date of technical presentation. The evaluation of technical presentation will be based on the following criteria:

- A. Understanding of scope of the project
- B. Strategy for full coverage of the project as per guidelines in the district
- C. Work Plan/ Road map of the project in the district

A maximum of up to **30 marks** can be awarded under this category

The organization/agency whose technical evaluation secures a score above the **minimum qualifying mark of 70 (maximum marks of 70 in Technical Proposal & maximum marks of 30 in Technical Presentation)** in the technical evaluation stage will be technically qualified for opening of the financial evaluation. The financial proposals of the technically qualified organization/agency will be opened on the same day / subsequent working day. Hence, the organization/agency should make themselves available for the same.

8.3 Financial Evaluation (3rd Stage): The financial proposals of only the technically qualified bidders only shall be opened at this stage in the presence of the bidder's representative who wishes to attend the meeting with a proper authorization letter. The name of the bidder along with the quoted financial price will be announced during the meeting.

9. Evaluation Process:

QCBS method will be applied for selection of the Professional Agency. In deciding the final selection of the Organization/Agency, the technical quality of the proposal will be given a weightage of 70% on the basis of criteria for evaluation. The price bids of only those Organization/Agency who qualify technically will be opened. The proposal with the lowest cost

will be given a financial score of 100 and the other proposal given financial scores that are inversely proportional to their prices. The financial proposal shall be allocated a weightage of 30%. For working out the combined score, the employer will use the following formula:

Total points: $(0.7 \times T(s)) + (0.3 \times 100 \times \text{LEC}/\text{EC})$, where T(s) stands for technical score, EC stands for Evaluation Cost of the Financial Proposal, LEC stands for Lowest Evaluated Cost of the Financial Proposal.

The proposals will be ranked in terms of total points scored. The proposal with the highest total points (H-1) will be considered for award of contract and will be called for negotiations, if required. Example: If in response to this EOI, three proposals, A, B & C were received and the EoI Screening Committee (ESC) awarded them 75, 80 and 90 marks respectively, all the three proposals would be technically suitable. Further, if the quoted price of proposals A, B & C were Rs.120, Rs.100 &Rs.110 respectively, then the following points for financial proposals may be given:

A: $100 \times 100 / 120 = 83$ points

B: $100 \times 100 / 100 = 100$ points

C: $100 \times 100 / 110 = 91$ points

In the combined evaluation, the process would be as follows:

Proposal A: $75 \times 0.7 + 83 \times 0.3 = 77.4$

Proposal B: $80 \times 0.7 + 100 \times 0.3 = 86$

Proposal C: $90 \times 0.7 + 91 \times 0.3 = 90.3$

Proposal C would be considered the H1 and would be recommended for negotiations, if considered necessary for approval.

From the time the proposals are opened to the time the contract is awarded, the Organization/Agency should not contact the Client on any matter related to its Technical and/or Financial Proposal. Any effort by Organization/Agency to influence the Client in the examination, evaluation, ranking of Proposals, and recommendation for award of contract may result in the rejection of the Organization/Agency's proposal. Directorate of Agriculture & Food Production; Odisha may cancel the bid and reject all proposals without assigning any reasons at any stage of the tender process.
